

Capability Statement

31 Jul 2018

NEW TOUCH INDUSTRIES PTY LTD

INDUSTRIES SERVED

AUTOMOTIVE

CONSTRUCTION &
ENGINEERING

DEFENCE

LAND &
AGRICULTURE

MANUFACTURING

MINING

OIL, GAS & ENERGY

RAIL

STEEL

TRANSPORT

WATER

Company Details

Address: Corner Malvern and Edelmaier Streets
BAYSWATER VIC, 3153 Australia

Ph: +61 3 9720 8248

Fax: +61 3 9720 9852

Email: brad@ntiv1.com.au

Web: www.newtouchind.com.au

ICN Gateway Company ID: 51403

Employees: 65

ABN: 71 162 439 536

Locations: 2

Local Manufacturer: Yes

Foreign Manufacturer: No

Importer: No

Exporter: No

NT CAL Accredited: No

Works in Remote Locations: No

Australian Indigenous Owned: No

New Touch Industries (NTI) provides laser cutting and fabrication solutions. Established in 2001 and has rapidly grown to become one of the industry's premier companies. Our services include a complete metal fabrication solution including folding, welding and project management. Our skilled welders are certified to AS 1554 with focus on quality, service and delivery. We are renowned for providing high quality laser cutting, fabrication & marking services at competitive prices. We are a "one stop shop" with the skills and equipment to meet all your laser cutting & fabrication needs.

Summary

Our laser cutting services include 2D laser cutting, rotary laser cutting and laser marking, our quality system ensure immaculate high-end finishes. Our state of the art press brakes are capable of meeting your bending and folding needs. From complex, intricate sheet metal components to large plate 10mm thick and beyond. Equipped with the capabilities to MIG & TIG weld, rivet, sand and polish your product whether its mild steel, stainless steel or aluminium. We also offer a complete range of finishing services from

powder coating to zinc plating, electro polishing to assembly to help guide your project from concept to completion.

With highly skilled staff operating the latest CAD software to assist with developing parts from simple sketches to intricate samples. NTi sales staff can offer quick response times with expert advice on the best solution to produce your product as efficiently as possible. Quality, Service & Delivery, our commitment to you.

Description

New Touch Industries (NTI) provides laser cutting and fabrication solutions. It was established in 2001 and has rapidly grown to become one of the industry's premier companies. NTI services include a complete metal fabrication solution including Folding, Welding and Project Management. Our skilled welders are certified to AS 1554 with focus on quality, service and delivery. We are renowned for providing high quality laser cutting, fabrication & marking services at competitive prices. We offer an expanded range of services to meet your Laser Cutting & Fabrication needs.

Laser Cutting and Laser Marking, we can ensure immaculate high-quality finishes. Our state of the art press brakes are capable of meeting your bending and folding needs. From complex, intricate sheet metal components to large plate 10mm thick and beyond. Equipped with the capabilities to MIG & TIG weld, rivet, sand and polish your product whether its mild steel, stainless steel or aluminium. We also offer a complete range of finishing services from powder coating to zinc plating, electro polishing to assembly to help guide your project from concept to completion.

Our Laser Cutting services include 2D laser cutting, Rotary

We have highly skilled staff operating the latest CAD software to assist with developing parts from simple

sketches to intricate samples. Our sales staff can offer quick response times with expert advice on the best solution to

produce your product as efficiently as possible.

Products & Services

- > Laser Cutting
- > Laser Marking
- > Laser Annealing
- > Bending
- > Folding
- > Welding
- > Metal Fabrication
- > Delivery and Project Management.

Accreditations

- > ISO 9001
- > Welders are certified to AS 1554

Industries Served

- > Automotive
- > Construction & Engineering
- > Defence
- > Land & Agriculture
- > Manufacturing
- > Mining
- > Oil, Gas & Energy
- > Rail
- > Steel
- > Transport
- > Water

Major Clients

- > Major corporates in:
- > Agriculture sector
- > Building & Construction
- > Defense sectors
- > Food Processing
- > Mining industry
- > Transport sectors

Facilities

- > Fabrication
- > Folding
- > Laser Cutting Machinery
- > Laser Marking Machinery
- > Profile Cutting
- > Project Management
- > Welding
 - > - Robot Welding
 - > - Spot Welding

Previous Significant Projects

2007

Eastlink

\$5,000,000

Client: Transurban, Rio Tinto & many other small and large businesses.

Metal cladding of 88 bridges.

Major power grid / infrastructure upgrades.

Mining equipment in Pilbara, Peru and other markets

Revolving restaurants across the Middle East

Food processing equipment exported globally.
