

# ICN RESPONSE TO COVID-19

ICN recognises the importance of having a strong supply chain now more than ever to ensure that the community continues to receive key services and products.

## ICN COVID-19 Portal Results

Our new data analytics tool – Business Intelligence Module, allows for quick and easy analysis and insights to project performance.

## KEY FACTS COVID-19 RESPONSE PORTAL:

**LAUNCHED 23 MARCH 2020**

**OVER 600**  
EXPRESSIONS OF  
INTEREST SUBMITTED

**OVER 12,900**  
PAGE VIEWS

**OVER 600 NEW COMPANIES**  
JOINED ICN GATEWAY IN RESPONSE  
TO OUR COVID-19 PORTAL

- ▶ ICN COVID-19 Response App available FREE to small companies and NFP
  - 22 new companies joined already
- ▶ Industry advisers on the ground assisting all levels of government
- ▶ Actively identifying suppliers with the capability and capacity to manufacture and/or supply PPE equipment
- ▶ Assisting governments to identify businesses with transferable technologies to extend their capability, retool and scale up to manufacture PPE and other priority health equipment.

We are working hard to help small businesses become a part of the solution.

ICN was created over 30 years ago to increase economic activity and employment opportunities for local industry. In that time, we have helped local suppliers find \$30 billion worth of contracts.

– Warren Jansen, ICNL Executive Director.
