

Expression of Interest (RVS Project)

Robe Valley Sustaining Project

- Project Overview:** The Robe Valley Sustaining Project (Project), the subject of a Feasibility study, consists of the upgrade and expansion of the Mesa iron ore deposits to sustain the existing Robe Valley production. The Robe Valley is approximately 120km southwest of Karratha in the Pilbara region of Western Australia.
- Package Title:** Paramedic Services
- Package Reference:** RVS/A/SC/3203
- Package Description:** Provision of paramedic services on two RTIO mine sites at Robe Valley. Services required to support a significant and dispersed construction package for new plant and non-process infrastructure.
- Specific Scope Requirements:** Suppliers wishing to be considered must be able to demonstrate their ability to complete the following tasks:
- Provide a full time paramedic at two separate locations (2 paramedics in total) with coverage for each paramedic on a back to back roster.
 - Provide full-time paramedic coverage to the RVS Sites (two construction sites) and construction camps (two separate camps).
 - Provide initial and follow up treatment without limitation for injuries and illnesses including vaccinations and after hour's callout.
 - Provide incident response medical treatment and medical care in the event of medical emergencies.
 - Provide medical Services from the Company's medical facilities and manage day-to-day operation of the Company's first aid facilities as outlined in this Contract Specification.
 - Drug and hydration testing.
 - Provide a suitably qualified general practitioner of medicine to attend Site.
 - Provide a suitably qualified consultant to perform contaminant, dust, noise, lighting measurements and subsequent reports.
 - Initial Establishment of the Company supplied First Aid Facilities and maintain health records.
 - Establish and maintain a network of contacts for local medical practitioners available to provide assistance and advice. This will include medical practitioners, hospitals, Royal Flying Doctors Service (RFDS), Helicopter Emergency Medical Services (HEMS) and Ambulance Services.
 - Provide nationally accredited first aid training on Site for nominated personnel to qualify attendees to the level of 'Senior First Aid', 'Work Place First Aid' or others as approved by the Engineer.
 - Conduct training courses and sessions in first aid and health related subjects.

Expression of Interest (RVS Project)
