

Expression of Interest

Koodaideri Project – Phase 1

Project Overview: The Koodaideri Project (Project), consists of the development of a new iron ore mine located approximately 110km west-northwest of Newman in the Pilbara Region and associated rail infrastructure which extends from the Koodaideri mine to Rio Tinto's existing rail network at Lyre.

The mine will include dry crushing and screening plant, non-process infrastructure, product stockyards, rail loop and load-out and rail link to Rio Tinto's main rail line.

Package Title: 6.6kV Switchgear

Package Reference: KD1/E/SM/2618

Package Description: Supply and delivery of the 6.6kV Switchgear

Specific Scope Requirements: Design, manufacture, factory acceptance test, pre-assemble, pack and transport the below listed equipment to site;

- Primary Crushing Sub 6.6kV switchgear – LC0101
- Screening Sub 6.6kV switchgear – LC0301
- Secondary Crushing Sub 6.6kV switchgear – LC0401
- Stockyard Sub 6.6kV switchgear – LC0501
- Reclaiming Sub 6.6kV switchgear – LC0601.

The scope also includes provision of installation supervision, commissioning assistance, acceptance testing assistance and training of site personnel.

Suppliers wishing to be considered must be able to demonstrate their ability to complete the following tasks:

- comply with the technical requirements of RTIO Specification SS-E146 and Project Data Sheets;
- demonstrate that the scope can be delivered to the highest standards of health and safety, with zero harm to people and environment;
- demonstrate experience of successful completion of similar projects;
- demonstrate that the design capability, for selection of equipment will meet the requirements listed in project documentation;
- demonstrate manufacturing capacity and capability to achieve Project schedule requirements;
- demonstrate that the equipment supplied will be of high quality and standards that meet or exceed the Project quality requirements and specifications.

Expression of Interest

Forecast Award Date: April 2019

Package-Specific Criteria: Ability to design and supply the equipment to the design data as specified in the equipment datasheets, technical specification, scope of work and other requirements stated in contract documentation.

Expression of Interest: Suppliers and contractors are invited to express an interest in this scope of work by registering on the ICN Gateway online platform. Please ensure;

- The Company profile on ICN Gateway is complete, up-to-date and accurate;
- Interest is registered as full-scope or partial-scope supplier (where applicable); and
- Responses to the generic pre-qualification criteria (questions) via the ICN Gateway, is provided.

EOI Commencement Date: 25 October 2018

EOI Closing Date: 22 November 2018
