Koodaideri Project – Phase 1

Project Overview: The Koodaideri Project (Project), consists of the development of a new iron ore mine located approximately 110km west-northwest of Newman in the Pilbara Region and associated rail infrastructure which extends from the Koodaideri mine to Rio Tinto's existing rail network at Lyre.

The mine will include dry crushing and screening plant, non-process infrastructure, product stockyards, rail loop and load-out and rail link to Rio Tinto's main rail line.

Package Title: **Conveyor Drives**

Package Reference: **KD1/M/SM/2609**

Package Description: The scope of work is for the design, manufacture, shop testing, pre-assembly, packaging and transportation of the below listed equipment to site:

- Conveyor drive assemblies with gearboxes, mounted on a common base frame including high speed brake or fly wheel as applicable;
- Associated specialised tools and spares.

The scope also includes contractor support for construction supervision, commissioning and performance measurement of the goods and training of company personnel onsite.

Specific Scope Requirements: Contractors wishing to be considered must be able to demonstrate their ability to complete the following tasks:

- supply and test of drive assemblies ranging from 630kW to 1000kW;
- ensure the goods can be delivered to the highest standards of health and safety with zero harm to people and environment;
- the successful completion of similar projects;
- design capability for suitable equipment to meet the requirements listed in Project documentation;
- demonstrate manufacturing capacity and capability to achieve Project schedule requirements;
- demonstrate that the Contractor can supply equipment of high quality and of standards that meet or exceed the Project quality requirements and specifications; and
- demonstrate ability to provide spares and after sales service support.

Expression of Interest

Forecast Award Date: April 2019

Package-Specific Criteria: Ability to design and supply the equipment to the design data as specified in the equipment datasheets, technical specification, scope of work and other requirements stated in contract documentation.

Expression of Interest: Suppliers and contractors are invited to express an interest in this scope of work by registering on the ICN Gateway online platform. Please ensure;

- The company profile on ICN Gateway is complete, up-to-date and accurate;
- Interest is registered as full-scope or partial-scope supplier (where applicable); and
- Responses to the generic pre-qualification criteria (questions) via the ICN Gateway, is provided.

EOI Commencement Date: 25 October 2018

EOI Closing Date: 22 November 2018
