

Expression of Interest

Koodaideri Project – Phase 1

- Project Overview:** The Koodaideri Project (Project), consists of the development of a new iron ore mine located approximately 110km west-northwest of Newman in the Pilbara Region and associated rail infrastructure which extends from the Koodaideri mine to Rio Tinto's existing rail network at Lyre.
- The mine will include dry crushing and screening plant, non-process infrastructure, product stockyards, rail loop and load-out and rail link to Rio Tinto's main rail line.
- Package Title:** **Conveyor Idlers**
- Package Reference:** **KD1/M/SM/2610**
- Package Description:** The scope of work is for the design, manufacture, packaging and transportation of below listed equipment to site to Rio Tinto standards:
- Three (3) idler rollers;
 - supply of associated frames including retractable and impact;
 - packaging of rollers and frames adequately for transport and yard storage on site;
 - supply of supporting documentation; and
 - associated specialised tools and spares.
- The scope also includes contractor support for construction supervision and commissioning of the goods and training of company personnel onsite.
- Specific Scope Requirements:** Contractor wishing to be considered must be able to demonstrate their ability to complete the following tasks:
- Supply rollers and frame assemblies to suit the tension values specified for each conveyor;
 - ensure the goods can be delivered with highest standards of health and safety with zero harm to people and environment;
 - demonstrate the successful completion of similar projects;
 - demonstrate the design capability to meet the requirements listed in Project documentation;
 - demonstrate manufacturing capacity and capability to achieve Project schedule requirements;
 - demonstrate that the contractor can supply equipment of high quality and of standards that meet or exceed the Project quality requirements and specifications; and
 - demonstrate ability to provide spares and after sales service support.

Expression of Interest

Forecast Award Date: May 2019

Package-Specific Criteria: Ability to design and supply the equipment to the design data as specified in the equipment datasheets, technical specification, scope of work and other requirements stated in contract documentation.

Expression of Interest: Suppliers and contractors are invited to express an interest in this scope of work by registering on the ICN Gateway online platform. Please ensure;

- The company profile on ICN Gateway is complete, up-to-date and accurate;
- Interest is registered as full-scope or partial-scope supplier (where applicable); and
- Responses to the generic pre-qualification criteria (questions) via the ICN Gateway, is provided.

EOI Commencement Date: 25 October 2018

EOI Closing Date: 22 November 2018
