

Expression of Interest (RVS Project)

Robe Valley Sustaining Project

Project Overview:	The Robe Valley Sustaining Project (Project), the subject of a Feasibility study, consists of the upgrade and expansion of the Mesa iron ore deposits to sustain the existing Robe Valley production. The Robe Valley is approximately 120km southwest of Karratha in the Pilbara region of Western Australia.
Package Title:	Supply and Manufacture of Sampling Equipment for Mesa A Process Plant
Package Reference:	RVS\M\SM\2223
Package Description:	<p>Design, procurement, manufacture, fabrication, assembly, supply, testing, surface preparation, painting, preparation of associated documentation, packaging and supervision of installation and commissioning of sampling equipment including:</p> <ul style="list-style-type: none">• Primary sample cutter c/w sample chute.• Primary sample reversible feeder.• Primary sample jaw crusher.• Secondary sample cutter feeder.• Secondary sample cutter c/w sample and rejects chutes.• Secondary sample jaw crusher.• Tertiary sample cutter feeder.• Tertiary sample cutter c/w sample and rejects chutes.• Rotary sample collector.• Bulk sample reversible feeder. <p>The primary sample cutter will be located at the head end of the product conveyor. The product conveyor is transporting -200 mm material at design capacity up to 5,000 tph (wet).</p> <p>The proposed sampling system process flow diagram is shown in Figure 1.</p> <p>The sampling equipment must comply with requirements of ISO 3082 – Iron Ore Sampling.</p>

Expression of Interest (RVS Project)

Specific Scope Requirements: Suppliers wishing to be considered must be able to demonstrate their ability to design and supply the Goods noted above.

Invitation to Tender Date: 18 January 2019

Forecast Award Date: 18 April 2019

Package-Specific Criteria: ISO 3082 – Iron Ore Sampling

Expression of Interest: Suppliers and contractors are invited to express an interest in this scope of work by registering on the ICN Gateway online platform. Please ensure;

- The Company profile on ICN Gateway is complete, up-to-date and accurate;
- Interest is registered as full-scope or partial-scope supplier (where applicable); and
- Responses to the generic pre-qualification criteria (questions) via the ICN Gateway, is provided.

EOI Start Date: 26 October 2018

EOI Closing Date: 9 November 2018

Contact: Industry Capability Network of Western Australia. (+618) 9365 7556
