

PROJECT SEA DRAGON (PSD) - EXPRESSION OF INTEREST (EOI)

Project Overview:

A large scale land based green field aquaculture facility is to be constructed at Point Ceylon, Bynoe, 120 kilometres from the Northern Territory (NT) capital, Darwin. The facility will be a Brood Maturation centre (BMC) and will produce large volumes of post larvae (PL's) Black Tiger prawns to be used for stocking ponds at the Growout Centre (GOC) located at Legune Station, NT. The BMC is a key element in PSD's large scale aquaculture project.

Package Title:

Supply, Delivery and Commissioning of Diesel Generators for BMC Part A

Reference:

PSD.108

Package Description:

This package is for the supply, delivery and commissioning of 2 diesel generators including fuel system for the BMC facility.

- ▀ 2 off diesel generators – capable of producing 55KVA each, operating 24 hours day.
- ▀ Generators to be supplied with a fuel system with capacity for at least 10 days storage
- ▀ The work in this package excludes electrical connections to other equipment.

Contractors are to supply all labour, consumables and equipment to deliver the generators to site.

In accordance with PSD's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

PSD reserve the right to combine this package and or parts of this package with any other project package.

Key Information to be included in the EOI:

Must provide a proposed local indigenous participation plan with Traditional owners, local aboriginal and/or other aboriginal people specific for the contract package

Must provide information specific for the contract package with a focus on meeting key milestone dates (below) including but not limited to;

- ▀ Duration from date of PSD order to delivery of the gensets to site
- ▀ Key personnel for supply and commissioning
- ▀ Contractor must be cognisant of Northern Australia's wet season periods

Must be able to demonstrate how to meet cultural heritage commitments

	and provide evidence from other projects
	Must provide details of a Quality Management system and records of previous performance including commissioning
Key Milestones:	Target Contract award: March 2019 Target Delivery: June 2019
Expression of Interest:	Contractors are invited to express an interest in this package by registering on the ICN Gateway on line platform. Please ensure your ICN company profile is up to date before registering your expression of interest.
