

Questions received from prospective tenderers. Answers in **bold**.

1. **Schedule 5, Contract:** A contract does not appear to be provided with the other tenders docs. Is the contract to be used “CRN-FRM-CSP-048 Short Form Consultancy Agreement”? Could you please provide a copy to make sure we have the current version. **JHR - The template to be used is CRN-FRM-CSP-048 Short Form Consultancy Agreement**
2. Are you able to confirm why JHR are the entity leading this work? **JHR – JHR are contracted by TfNSW Country Rail Contracts to deliver works on the Country Regional Network (CRN) and this is a project we are engaged to do.**
3. Subsequently, who is the end audience for the study’s outputs? (eg TfNSW, Infrastructure Australia, other) **JHR – the final report will be issued to TfNSW Freight Strategy and Planning (FSP) division.**
4. What will the study’s outputs be used for? Eg:
 - a. will it be used as part of a business case (or similar process) **JHR - Possibly, if the project is found to be economically viable**
 - b. will the study be made public **JHR - Will not be made public however a high level Executive Summary may be made available**
 - c. will it be relied upon by JHR or other entity and for what purpose **JHR - The Feasibility Study may be used for decision making purposes.**
5. Are JHR able to provide any demand data for the study? Eg:
 - a. are there any existing inputs on the viability for freight using the line (eg freight estimates, train modelling etc) **JHR – all the information JHR have received has been provided. Available data can be made available to the successful provider**
 - b. do JHR possess any information on the viability of a terminal at Eden? **JHR - all the information JHR have received has been provided. TfNSW have no specific information on the viability or demand for a terminal at Eden.**
