

CHEVRON AUSTRALIA – OPERATIONS

TITLE: Bus Services - Wheatstone (EOI 30)

DESCRIPTION: Chevron Australia is seeking expressions of interest from service providers capable of providing bus services (full and/or partial capability) in support of Chevron Australia's Wheatstone operations in Onslow.

Contractor shall provide scheduled and on-call bus services for an operations workforce of approximately 400-800 person between the accommodation village, work sites, airport and town. Contractor shall have the flexibility to scale up and down as necessary to support increased transient workforce of up to 2000 during scheduled maintenance periods.

Contractor is to have proven capability to recruit locally within Onslow, Western Australia.

Scope of work includes (but not limited to):

- Provision of modern charter type air-conditioned coach buses and potential usage of minibuses.
- Provision of bus drivers and other supporting resources including supervisors, HSE advisors, schedulers, and administration.
- Fleet repair and maintenance and cleaning
- Scheduled and on-call bus services 7 days a week to meet operation requirements, including night shifts and shutdowns.
- Flexibility/scalability in fleet and resources scheduling to meet Chevron operations requirements.
- Distance from the village to the work sites is approximately 12km.
- Distance from the camp to the airport is approximately 12km.
- Distance from Onslow township to the work sites is approximately 28km.

CONTACT: Industry Capability Network of Western Australia – www.icnwa.org.au/ContactUs.asp

Please Note: This is a request for specific expressions of interest. Service Providers will be considered for inclusion in the RFP if suitably qualified against this package.
