

# Expression of Interest

## Koodaideri Project – Phase 1

**Project Overview:** The Koodaideri Project (Project), consists of the development of a new iron ore mine located approximately 240km west-northwest of Newman in the Pilbara Region and associated rail infrastructure which extends from the Koodaideri mine to Rio Tinto's existing rail network at Numbat Junction.

The mine will include dry crushing and screening plant, non-process infrastructure, product stockyards, rail loop and load-out and rail link to Rio Tinto's main rail line.

**Package Title:** **Light Vehicle Servicing & Maintenance**

**Package Reference:** **KD1-G-SC-3603**

**Package Description:** This scope of work includes the establishment of an on-Site workshop capable of providing light vehicle servicing, repairs and maintenance as required for the Koodaideri Project. The Contractor shall have the facilities and capability to provide labour, materials, and other incidentals necessary to perform and complete scheduled services, repairs and maintenance, including storage and provision of spare parts and consumables such as replacement batteries, windscreens, tyres etc

**Specific Scope Requirements:** Suppliers wishing to be considered must be able to demonstrate their ability to meet the following:

- Establishment of a temporary on-Site workshop facility with capacity to service and maintain a fleet of approximately 100 vehicles for a period of 3 years;
- Ability to appoint suitably qualified, inducted and experienced personnel to operate a full time on-Site servicing facility for 3 years;
- Ability to perform :
  - Standard interval scheduled servicing;
  - replacement of tires and wheel balancing;
  - replacement of windscreens;
  - minor repairs;
- Liaising with insurance in case of major repairs;
- Demonstrated access to spares and consumables within reasonable timeframes;
- Demonstrated capability to deliver services to the highest standards of health and safety, with zero harm to people and environment;
- Demonstrate successful performance of similar services; and
- Demonstrate that the services and equipment supplied will be of quality and standards that meet or exceed the Project quality requirements and specifications.

## Expression of Interest

**Forecast Award Date:** May 2019
