

Westin Darwin Hotel

ICN are delighted on behalf of Landbridge Hotel Properties to invite you to Register your Expression of Interest in the construction of their Model Room Guest Rooms for the Westin Darwin Hotel. This project will set the standard for the high quality rooms for their future guests, and shall be the quality benchmark for the hotel project.

To register your interest, please confirm via submitting your REOI against this package by no later than 20th June 2019 for consideration which shall be no more than providing the details of your company, your turnover and any other details that will be relevant.

The scope of the Model Room is the construction of 2 rooms a bathroom and a corridor comprising an area of around 100m² in total within the warehouse where the venue shall be held

Landbridge intend to hold an Open Day for the Model Room in early July, and due to the expected high level of participants registering an expression of interest, it is anticipated that they will have to restrict the Open day to a select list of tenderers.

This project would be suitable for local businesses that will be able to provide subcontracting services to the main contractor, or the future main contractor for the hotel works.

Project Registration
