### Expression of Interest (EOI) – New Steel Mill Construction Whyalla Transformation Program

Liberty Primary Steel (LPS) are pleased to invite your company to submit an Expression of Interest as the EPC partner for the design, supply and construction of a new Steel Mill for the LPS Steelworks.

The purpose of this EOI is to seek an understanding of your company's capability and technology, including a list of recent projects with a view to shortlisting for development of a technical specification and subsequent contractor selection.

LPS is intending to award the entire scope to a Principal Contractor under an ECI / EPC contract. Potential subcontractors are also encouraged to nominate packages of interest. A listing of potential subcontractors will be passed to the successful Principal Contractor.

#### Anticipated Steel Mill scope by work packages:

ECI FEED	Admin Building/ Change House
Rolling Mill (OEM), including balance of plant	Transformers
Cranes	Switch-rooms / Pulpits
Water Plant	Demineralised Water
Air Compressor	Sewage Treatment
Fire Water	Demolish and site preparation
Workshop equipment	Camp

#### Intended Timeline

Preliminary EOI on ICN (this document):	6 <sup>th</sup> November 2019
Preliminary EOI responses received by:	16 <sup>th</sup> November 2019
Contact with potential Principal Contractors starting:	11 <sup>th</sup> November 2019
Detailed EOI information to preferred Principal Contractors by:	18 <sup>th</sup> November 2019
Detailed EOI responses received by:	28 <sup>th</sup> November 2019
Evaluation Complete:	6 <sup>th</sup> December 2019
Recommendation:	13 <sup>th</sup> December 2019
Principal Contractor mobilised for ECI*:	31 <sup>st</sup> January 2020
EPC date (End of ECI, EPC award):	30 <sup>th</sup> June 2020

\*LPS reserves the right to engage more than one contractor for ECI FEED.

#### Minimum EOI submission information required (please complete details on ICN):

Please provide the following information by Saturday 16<sup>th</sup> November 2019:

- Registration of Interest to act as the Principal Contractor or Subcontractor
- Company capability including size of operation, skills;
- References of similar sized projects undertaken.
