

<b>Project Reference:</b>	Boeing Space and Satellite Communications Network – Australia
<b>Project Description:</b>	Design and Development of Space and Satellite Communication Capability in Australia.
<b>Opportunity Title:</b>	General – Novel Solutions
<b>Opportunity Description:</b>	Boeing wish to offer suppliers with novel products, solutions and ideas to support Space and Satcoms in Australia to register your interest. Suppliers are requested to provide a clear statement in their registration of interest clearly detailing their novel product, solution and idea.
<b>Supplier Requirements:</b>	<p>Boeing require suppliers that:</p> <ul style="list-style-type: none"> <li>• Have demonstrated capability against the opportunity requirement;</li> <li>• Are financially viable;</li> <li>• Can demonstrate commercial value;</li> <li>• Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity.</li> </ul>
<b>General Information:</b>	<p>Boeing will consider all ICN Registrations where:</p> <ul style="list-style-type: none"> <li>• The business demonstrates through their response a clear capability against the key requirements;</li> <li>• The business completes a response to all Boeing questions and/or Boeing documentation;</li> <li>• The businesses ICN profile is up to date and complete;</li> <li>• The registration is complete prior to any closing date;</li> <li>• The business operates in Australia and is a registered Australian business.</li> </ul>
<b>Diversity Businesses:</b>	<p>Where they have capability, Boeing strongly encourage the following businesses to submit a registration of interest and identify through the registration process:</p> <ul style="list-style-type: none"> <li>• Veteran Owned Businesses</li> <li>• Aboriginal and Torres Strait Islander Businesses</li> <li>• Women Owned Businesses</li> </ul>
<b>Next Steps:</b>	<p>Boeing obtains a report from ICN on a monthly basis with all supplier registrations.</p> <p>Boeing will review all registrations, noting that any incomplete registration will be excluded from consideration.</p> <p>Boeing will follow up with each registration to confirm if the supplier has been shortlisted for further involvement and if not why they have been excluded.</p> <p>Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender</p> <p>Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.</p>
