

Project Reference:	Boeing Space and Satellite Communications Network – Australia
Project Description:	Design and Development of Space and Satellite Communication Capability in Australia.
Opportunity Title:	Ground Station and Systems – Build and/or operate Tracking, Telemetry & Command Ground Station
Opportunity Description:	Boeing wish to identify suppliers that have capability to build and/or operate, including the procurement, testing and certification of Tracking, Telemetry, and command (TT&C) earth stations.
Supplier Requirements:	Boeing require suppliers that: <ul style="list-style-type: none"> • Have demonstrated capability against the opportunity requirement; • Are financially viable; • Can demonstrate commercial value; • Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity.
General Information:	Boeing will consider all ICN Registrations where: <ul style="list-style-type: none"> • The business demonstrates through their response a clear capability against the key requirements; • The business completes a response to all Boeing questions and/or Boeing documentation; • The businesses ICN profile is up to date and complete; • The registration is complete prior to any closing date; • The business operates in Australia and is a registered Australian business.
Diversity Businesses:	Where they have capability, Boeing strongly encourage the following businesses to submit a registration of interest and identify through the registration process: <ul style="list-style-type: none"> • Veteran Owned Businesses • Aboriginal and Torres Strait Islander Businesses • Women Owned Businesses
Next Steps:	Boeing obtains a report from ICN on a monthly basis with all supplier registrations. Boeing will review all registrations, noting that any incomplete registration will be excluded from consideration. Boeing will follow up with each registration to confirm if the supplier has been shortlisted for further involvement and if not why they have been excluded. Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.
