

Project Reference:	Boeing Space and Satellite Communications Network – Australia
Project Description:	Design and Development of Space and Satellite Communication Capability in Australia.
Opportunity Title:	Ground Station and Systems – Spectral Monitoring System
Opportunity Description:	Boeing wish to identify suppliers that have capability in the supply, installation and testing of a distributed UHF,X, Ku and Ka band space and terrestrial spectral monitoring systems and space and/or terrestrial spectral monitoring and geolocation system to support the monitoring and protection of spectral assets.
Supplier Requirements:	<p>Boeing require suppliers that:</p> <ul style="list-style-type: none"> • Have demonstrated capability against the opportunity requirement; • Are financially viable; • Can demonstrate commercial value; • Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity.
General Information:	<p>Boeing will consider all ICN Registrations where:</p> <ul style="list-style-type: none"> • The business demonstrates through their response a clear capability against the key requirements; • The business completes a response to all Boeing questions and/or Boeing documentation; • The businesses ICN profile is up to date and complete; • The registration is complete prior to any closing date; • The business operates in Australia and is a registered Australian business.
Diversity Businesses:	<p>Where they have capability, Boeing strongly encourage the following businesses to submit a registration of interest and identify through the registration process:</p> <ul style="list-style-type: none"> • Veteran Owned Businesses • Aboriginal and Torres Strait Islander Businesses • Women Owned Businesses
Next Steps:	<p>Boeing obtains a report from ICN on a monthly basis with all supplier registrations.</p> <p>Boeing will review all registrations, noting that any incomplete registration will be excluded from consideration.</p> <p>Boeing will follow up with each registration to confirm if the supplier has been shortlisted for further involvement and if not why they have been excluded.</p> <p>Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender</p> <p>Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.</p>
