

Narrabri to North Star

Do you want to work with Inland Rail?

The Narrabri to North Star project is finalising project approvals to progress to construction.

We are holding workshops for local and Indigenous businesses on how to be visible on ICN Gateway and prepare a capability statement to promote business expertise.

Session topics include:

- ▶ Learn about ICN Gateway – the portal for Inland Rail expressions of interest (EOI) and a wide range of other project opportunities in NSW.
- ▶ Understand the EOI process and how to list your high-impact company profile information on ICN Gateway.
- ▶ A catch-up session for suppliers who missed the December event on capability statements.

Each workshop will include one-on-one and small group mentoring on ICN company profiles and preparing high-impact capability statements.

About the facilitator

Deb Archibold of Deborah Wilson Consulting Services (DWCS) has extensive experience in the major projects market. She has developed a capability statement template endorsed by various Australian major projects.

Moree

When: Tuesday 4 February, 9am–4pm

Where: The Max Centre, Level 1/30
Heber St, Moree NSW 2400
