# Business workshops

The Narrabri to North Star project is finalising project approvals to progress to construction. We are holding workshops to inform and educate regional businesses interested in supplying to Inland Rail, on a range of topics including:

- ▶ how to be visible to decision-makers
- ▶ understanding Health, Safety and Environment (HSE) requirements
- ▶ improving your tendering and contract management and how to work effectively on large projects.

Select your workshop from the list on the reverse side of this page and register by emailing:
