

## Rheinmetall Nioa Munitions Maryborough Forging Facility

### ICN Gateway Expression of Interest (EOI) Supply of Container Forklift

<p>RNM and the Industry Capability Network (ICN) hereby invites Expression of Interest from respective Forklift suppliers for the supply of a container forklift for the Maryborough facility.</p> <p style="text-align: center;">All EOI submissions should be made through the ICN Gateway.</p>	
Scope of Works	Supply of a suitable Container forklift (New, Used or Lease option)
RNM Reference	RNM -2001
Project Description	<p>RNM will construct a new, advanced forging and manufacturing plant located on a greenfield site within an existing industrial precinct in Maryborough, Queensland.</p> <p>The facility will manufacture large calibre artillery projectile shells with the export of goods requiring the use of standard shipping containers.</p>
Forklift Scope	<p>Current planning estimates the facility will require a Container Forklift capable of lifting a loaded container with a max gross weight of 25,000 kg.</p> <p>The forklift will be used on a hard-tarmac fit for purpose (all terrain not mandated).</p> <p>RNM is interested in considering all available options included outright purchase of New or Used forklifts or Lease options.</p>
Location of Works	52 Industrial Av, Maryborough West, QLD, 4650 (Lot 1, SP270124)
Delivery Schedule	It is anticipated that shortlisting will occur in early April 2020 with progression to a tender and proposal process in late April 2020.
