Project Registration Information

Sun Cable Pty Ltd is committed to ensuring Australian Industry the opportunity to participate in the Darwin Utility Scale Battery Project

You are invited to submit an expression of interest if you have the relevant capability and capacity to undertake the scope of work. Suppliers and contractors will only be considered for prequalification and tender lists if suitably qualified.

All expressions of interest (EOIs) are to be completed via ICN Gateway suncable.icn.org.au. Please contact ICNNT if EOI assistance is required. Contact details: (08) 8922 9422 or resources@icnnt.org.au.

Note that an important part of the project registration process is submitting your EOI at the correct Tier level.

Tier level definition:

Full Scope (Tier 1): Able to produce / supply all of the package. **Partial Scope (Tier 2):** Able to produce / supply SOME of the package.

More information about Sun cable Pty Ltd and the Darwin Battery Project as well as the larger AAPL Project can be found on the website, www.suncable.sg
