

Queensland Government COVID-19 (Coronavirus) Manufacturing Supply Chain support

Supply of medical and non-medical full-length face shields and protective eyewear

General Description

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have several requests for disposable and non-disposable face shields and protective eyewear of various types for non-medical and medical purposes, with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

Expressions of Interest

The Queensland Government encourages local businesses interested in supplying disposable and non-disposable face shields and protective eyewear of various types for non-medical and medical purposes to register an expression of interest (EOI) through the ICN Gateway webpage.

Specific Scope Requirements

As at 3 April 2020, we have the following various requests, with further requests for face shields and protective eyewear for non-medical and medical purposes likely to follow.

The Queensland Government will be seeking various volumes at various times and invites you to indicate your quantity and timing in your response.
