

# Queensland Government COVID-19 (Coronavirus) Manufacturing Supply Chain support **Supply of Pure Ethanol**

## **General Description**

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have several requests for pure ethanol to make hand sanitiser, with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

## **Expressions of Interest**

The Queensland Government encourages local businesses interested in supplying pure ethanol to register an expression of interest (EOI) through the ICN Gateway webpage.

## **Specific Scope Requirements**

As at 9 April 2020, we have the following various requests, with further requests for pure ethanol likely to follow:

- 2,000 litres of pure ethanol required immediately and ongoing weekly
- 2,500 litres of ethanol required immediately and ongoing weekly
- minimum of 12,000 litres of ethanol required immediately and ongoing weekly.

If you are able to provide any amount of pure ethanol, please express your interest in supplying for this market.

<b>Opens:</b>	14 April 2020
<b>Full scope closes:</b>	30 April 2020
<b>Location of works:</b>	Queensland
<b>Forecast Award Date:</b>	Immediate and as needed

## **Disclaimer**

The Scope of Work is indicative only and is intended to be used as a summary description of work which may be required by Queensland businesses and may be subject to change. There is no undertaking to contract or proceed to a competitive process implied by this form. Further contact with interested suppliers will be at the discretion of the Queensland businesses seeking this product.
