

# Queensland Government COVID-19 (Coronavirus) Manufacturing Supply Chain support **Supply of selected chemicals**

## General Description

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have several requests for selected chemicals including but not limited to, for use in cleaning, the manufacture of hand sanitiser, biotechnology etc. with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

## Expressions of Interest

The Queensland Government encourages local businesses interested in supplying selected chemicals to register an expression of interest (EOI) through the ICN Gateway webpage.
