

PROJECT EXPRESSION OF INTEREST	
Project Title	Snowy 2.0 – Future Generation Joint Venture.
Project Description	<p>Salini Impregilo, Clough and Lane have formed Future Generation Joint Venture (Future Gen) to provide the EPC package for SHL on the Snowy 2.0 Project.</p> <p>The Project is a pumped hydro project that will increase the generation capacity of the Snowy Mountains Scheme by up to 2,000MW and at full capacity will provide approximately 350,000MW/h of energy storage. The project includes all activities associated with the requirements for the Snowy 2.0 Pumped Hydro-electric Scheme.</p>
Opportunity Title	Polo Flat Segment Factory – Concrete FRP Footings, Slabs, Aggregate Bays
Opportunity Description	<p>Future Generation is seeking to identify suppliers that have the ability and plant equipment to provide:</p> <ul style="list-style-type: none"> Concrete FRP Footings, Slabs, Aggregate Bays at the Polo Flat Segment Factory. <p>The Segment Factory is required to manufacture precast concrete segments exclusively to line the tunnels being excavated for Snowy 2.0 Exploratory Works and Main Works. The Segment Factory will be located on industrial-zoned land in the south-eastern corner of Polo Flat, an industrial zoned area located to the east of Cooma. The operational facility will contain a concrete batching plant, a warehouse building for the manufacture of precast concrete segments (the precast building), uncovered storage areas for raw material and segments, vehicle parking areas and associated offices and workshops.</p>
Supplier Requirements	<p>Future Generation require suppliers that:</p> <ul style="list-style-type: none"> Have a demonstrated track record of providing equipment and services for a Tier One Contractor or above. Have updated service logs for all plant and equipment. Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity. Have an exemplary safety record and a documented management system for tracking safety performance.

	<ul style="list-style-type: none"> • Are financially viable and can demonstrate commercial value. • Can demonstrate a strong commitment to training and retaining a local workforce. • Have an excellent track record in employing and progressing the careers of Indigenous people. • Are progressively finding ways to develop the careers of women, veterans and people with disabilities. • Treat the environmental they are working in with respect and consideration.
<p>General Information</p>	<p>Future Generation will consider all ICN Registrations where:</p> <ul style="list-style-type: none"> • The business demonstrates through their response a clear capability against the key requirements. • The business completes a response to all Future Gen questions and/or Future Gen documentation. • The businesses ICN profile is up to date and complete. • The registration is complete prior to any closing date. • The business operates in Australia and is a registered Australian business.
<p>Local and Regional Content</p>	<p>Future Generation strongly encourages businesses who have head offices and/or dedicated premises with the appropriate Local Government approvals from the following regions:</p> <ul style="list-style-type: none"> • Snowy Monaro Regional Council Local Government Area • Snowy Valleys Regional Council Local Government Area <p>Furthermore, Future Generation strongly encourages Aboriginal and Torres Strait Islander businesses to submit applications.</p>
<p>Notes</p>	<p>Future Generation will obtain ongoing reporting from ICN on a regular basis.</p> <p>Future Generation will review all registrations, noting that any incomplete registration will be excluded from consideration.</p> <p>Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender.</p> <p>Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.</p>
