

Queensland Government COVID-19 (Coronavirus) Manufacturing Supply Chain support **Cleaning and/or disinfectant supplies**

General Description

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have several requests for cleaning and disinfectant supplies with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

Expressions of Interest

The Queensland Government encourages local businesses interested in supplying cleaning and/or disinfectant supplies to register an expression of interest (EOI) through the ICN Gateway webpage.

Specific Scope Requirements

As at 16 April 2020, we have the following various requests, with further requests likely to follow:

- antiseptic and/or disinfectant liquid (e.g. Dettol, etc)
- surface spray disinfectant (e.g. Glen20, etc)
- disinfectant wipes
- F10 disinfectant for veterinary purposes
- ultrasonic electronic cleaning solution
- any other cleaning products.

If you can provide any quantity of cleaning and/or disinfectant supplies for any purpose, please express your interest in supplying for this market.

Opens:	17 April 2020
Full scope closes:	1 May 2020
Location of works:	Queensland
Forecast Award Date:	Immediate and as needed

Disclaimer

The Scope of Work is indicative only and is intended to be used as a summary description of work which may be required by Queensland businesses and may be subject to change. There is no

undertaking to contract or proceed to a competitive process implied by this form. Further contact with interested suppliers will be at the discretion of the Queensland businesses seeking this product.
