

Queensland Government COVID-19 (Coronavirus) Manufacturing Supply Chain support

Various disposable and non-disposable gloves

General Description

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have several requests for disposable and non-disposable gloves of various types for various purposes, with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

Expressions of Interest

The Queensland Government encourages local businesses interested in supplying disposable and non-disposable gloves of various types to register an expression of interest (EOI) through the ICN Gateway webpage.

Specific Scope Requirements

As at 17 April 2020, we have the following various requests, with further requests for disposable and non-disposable gloves likely to follow:

General industrial/manufacturing purposes
