

Queensland Government COVID-19 (Coronavirus)
Manufacturing Supply Chain support

**Supply of small volume PET bottles and/or
containers, or associated pumps and/or closures**

General Description

The Queensland Government is working to connect businesses across industries with suppliers of essential supplies to continue operations. We have requests for small volume PET bottles and/or containers, and pumps and/or closures for small volume PET bottles/containers, with additional requests expected to follow.

Suppliers who respond here should indicate their:

- immediate capacity and quantity that can be supplied
- immediate timeframes for production and delivery
- any capabilities needed to scale up their capacity, quantities and by what timeframes.

Expressions of Interest

The Queensland Government encourages local businesses interested in supplying small volume PET bottles and/or containers, or closures for small volume PET bottles and/or containers in various forms and volumes to register an expression of interest (EOI) through the ICN Gateway webpage.

Specific Scope Requirements

As at 21 April 2020 we have the following requests, with further requests for small volume PET bottles and/or containers, and pumps and/or closures for small volume PET bottles/containers likely to follow:

- plastic bottles suitable for hand sanitiser (unspecified volume)
- 20,000 PET bottles with mister heads
- minimum 10,000 round 'Boston' PET plastic bottles sized 125-500 millilitres (ML), with spray or flip-top closures and screw thread necks of 24/410 or 28/410 for the purposes of containing manufactured hand sanitiser, required immediately and ongoing weekly
- 1,000,000 units of 28/410 flip-top caps, required immediately and ongoing weekly supply for a duration of 12 months
- 40,000 units of lids for 250ml or 500ml PET bottles, lid size 24/410 or 28/410. Lids can be flip top, push top, disc top or pump top, required immediately and ongoing weekly
- 500,000 units of 28/410 foaming trigger and lotion pumps, required immediately and ongoing weekly supply for a duration of 12 months
- minimum 2,000 units of 28mL pumps for 500mL bottles for the purposes of containing hand sanitiser, required immediately and ongoing monthly for a duration of 12 months.

If you are able to provide other small volume PET bottles and/or containers, or pumps, lids, closures or mister heads for small volume PET bottles/containers, please express your interest in supplying for this market.

Queensland
Government
