

Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

Project Overview: The Newmont Tanami Operation (NTO) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.

Package Title: **Underground Works**

Reference: **C4018**

Package Description: The scope of this package covers civil construction, structural, mechanical and piping (SMP) and electrical (E&I) installation and commissioning for the underground ore handling system. The package includes:

- Tipple area (EOT crane, tipple truck stoppers and the like)
- Crushing facility and ore storage (coarse ore bin, crusher, fine ore bin, dust suppression, feeders, monorails, chutes, rock breakers, dirty water pumps and services)
- Ore transfer facility to the storage silos (door chutes, silo feed conveyor, monorails and two large storage silos)
- Ore transfer facility to the flasks (spile bar systems, feeders, conveyors, belt magnets, chutes, monorails and transfer silo)
- E&I distribution system for underground

Contractors are to supply all labour, equipment and consumables to facilitate the works.

In accordance with Newmont's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

Newmont reserve the right to combine this package and or parts of this package with any other project package.

Key Information to be included in the EOI:

Must provide a draft Indigenous Relations Management Plan.

Must provide resourcing information specific for the contract package.

Must be able to demonstrate how to meet construction environmental commitments and provide evidence from other projects. Evidence to be supported with key past client reference people and their contact details

Must provide details of a Safety Management system and records of previous safety performance such as LTIFR and RIFR.

Must provide details of a Quality Management system and records of previous performance.

Key Milestones:

Tenderers Release Date: 11.08.2020

Target Contract Award Date: 21.11.2020

Completion: TBA

Expression of Interest:
