

## TDA Trade Show Plan 2020

Team Defence Australia (TDA), as part of the Australian Defence Export Office, is the national platform for Australian defence industry to showcase their goods, services, technologies and solutions at international trade events.

Exhibiting with TDA is free, with successful companies responsible for their individual expenses. TDA provides free space on the custom-built National pavilion, pre-event support and advice, invaluable senior military support and advocacy, market insight briefings, networking opportunities, B2B matching and on-site support at the show.
