

Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

Project Overview: The Newmont Tanami Operation (NTO) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.

Package Title: **Underground Dirty Water Pumping System**

Reference: **P4036**

Package Description: The purpose of this package is for the supply and delivery of two Positive displacement piston diaphragm pumps, charge pumps (if applicable), complete with cooling units, pulsation dampeners, pressure relief valves, drives, gearboxes and couplings.

The scope of work covers the supply of the following equipment:

- Positive Displacement Piston (PDP) Diaphragm Pumps complete with cooling units, nitrogen filled pulsation dampeners, pressure relief valves, gearboxes, couplings, bearing vibration and temperature monitoring – 2 each
- 1,100kW/11,000 volts/IP66 Premium efficiency electric motors, complete with bearing vibration monitoring, anti-condensate heaters, bearing and winding temperature monitoring – 2 each
- Base frames complete with foundation bolts, including shims and packers – 2 Sets
- Charge pumps for (PDP) Diaphragm Pumps, complete with electric motors, couplings, base plates and any other ancillary to complete the installation – 2 each
- Pumps suction and discharge interconnecting pipework, complete with valves, energy dissipaters, strainers, gaskets, bolts and nuts, and any other ancillaries required to complete the interconnecting pipework with the battery limits (price as a take-out item) – 1 Sum
- Variable speed drive (price as a take-out item) – 2 each
- PLC (price as a take-out item) – 1 each

The Supplier shall be responsible for the design, supply and delivery of the whole works, including supply of all labour, equipment and consumables to facilitate the works.

In accordance with Newmont's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

Newmont reserve the right to combine this package and or parts of this package with any other project package.

Key Information to be included in the EOI:	<p>Must provide resourcing information specific for the contract package.</p> <p>Must provide details of a Quality Management system and records of previous performance.</p>
Key Milestones:	<p>Tenderers Release Date: 08.05.2020</p> <p>Tender Close Date: 12.06.2020</p> <p>Target Contract Award Date: 12.08.2020</p> <p>Completion: TBA</p>
Expression of Interest:	<p>Contractors are invited to express an interest in this package by registering on the ICN Gateway on line platform. Please ensure your ICN company profile is up to date before registering your expression of interest.</p>
EOI Closing Date:	<p>07.05.2020</p>
Contact:	<p>Industry Capability Network Northern Territory</p> <p>www.gateway.icn.org.au.</p>
Project URL's	<p>For more information about Newmont please refer to the company website www.newmont.com</p>
Disclaimer:	<p>This package description and target award date is indicative only and subject to change. It is intended to provide only a brief outline of certain works that may be required for the TE2 project and should be read in conjunction with the TE2 project description on ICN Gateway.</p>
