

PROJECT EXPRESSION OF INTEREST	
<b>Project Title.</b>	Snowy 2.0 – Future Generation Joint Venture.
<b>Project Description.</b>	<p>Salini Impregilo, Clough and Lane have formed Future Generation Joint Venture (Future Gen) to provide the EPC package for SHL on the Snowy 2.0 Project.</p> <p>The Project is a pumped hydro project that will increase the generation capacity of the Snowy Mountains Scheme by up to 2,000MW and at full capacity will provide approximately 350,000MW/h of energy storage. The project includes all activities associated with the requirements for the Snowy 2.0 Pumped Hydro-electric Scheme.</p>
<b>Opportunity Title.</b>	PL274 Construction treatment plant Main Yard.
<b>Opportunity Description.</b>	<p>The Subcontractor is required to submit a fee proposal for the design, fabrication and construction for water treatment plant for the main yard at Polo Flat in Cooma.</p> <ul style="list-style-type: none"> <li>• Capacity 2Lts/sg with the following process equipment.</li> <li>• Plug &amp; Play type</li> <li>• All internal piping and electrical cables included</li> <li>• For batching plant and workshop operations as a containerised unit.</li> </ul> <p>With the following process:</p> <ul style="list-style-type: none"> <li>• Deoling water clarification- lamella clarifier.</li> <li>• Homogenization – Secondary Neutralization with Co2.</li> <li>• Surfactants Removal – Quartzite sand filtration.</li> <li>• Primary Neutralization with Co2- Disinfection and Control.</li> <li>• Coagulation / Flocculation – Solid handling system filter press.</li> <li>• Lifting water pump.</li> <li>• Supervisor during installation.</li> <li>• Commissioning.</li> </ul>

**Supplier Requirements.**

- Future Gen require suppliers that:
- Have a demonstrated track record of providing a modular water treatment plant.
- Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity.
- Subcontractor shall comply with all Safety and Environmental Management requirements for the Project. Site Specific Environmental Management Plans will be prepared by FGJV and approved by the NSW Department of Planning, Industry and Environment (DPIE). The subcontractor must comply with these plans once approved by DPIE.
- All vehicles need to be fitted with In Vehicle Monitoring System, as per FGJV requirements.
- Have an exemplary safety record and a documented management system for tracking safety performance.
- Are financially viable and can demonstrate commercial value.
- Can demonstrate a strong commitment to training and retaining a local workforce.
- Have an excellent track record in employing and progressing the careers of Indigenous people.
- Are progressively finding ways to develop the careers of women, veterans and people with disabilities.
- Treat the environment they are working in with respect and consideration.

<p><b>General Information.</b></p>	<p>Future Gen will consider all ICN Registrations where:</p> <ul style="list-style-type: none"> <li>• The business demonstrates through their response a clear capability against the key requirements.</li> <li>• The business completes a response to all Future Gen questions and/or Future Gen documentation.</li> <li>• The businesses ICN profile is up to date and complete.</li> <li>• The registration is complete prior to any closing date.</li> </ul> <p>The business operates in Australia and is a registered Australian business.</p>
<p><b>Local and Regional Content</b></p>	<p>Future Gen strongly encourages businesses who have head offices and/or dedicated premises with the appropriate Local Government approvals from the following regions:</p> <ul style="list-style-type: none"> <li>• Snowy Monaro Regional Council Local Government Area.</li> <li>• Snowy Valleys Council Local Government Area.</li> <li>• Furthermore, Future Gen strongly encourages Aboriginal and Torres Strait Islander businesses to submit applications.</li> </ul>
<p><b>Notes</b></p>	<p>Future Gen will obtain ongoing reporting from ICN on a regular basis.</p> <p>Future Gen will review all registrations, noting that any incomplete registration will be excluded from consideration.</p> <p>Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender.</p> <p>Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.</p>
