

## Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

**Project Overview:** The Newmont Tanami Operation (NTO) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.

**Package Title:** **Headframe and Shaft Arresting Devices**

**Reference:** **P4068**

**Package Description:** The scope of work covers the design, supply, manufacturing, fabrication, heat treatment, corrosion protection, assembly, shipping, delivery to site, inspection, testing, certification, and final installation inspection on site of the arresting devices for the Koepe production winder and double drum personnel-riding winder, as follows:

### **Koepe Production Winder**

- Koepe hoist skip arresting devices for the headframe – 2 sets
- Koepe hoist skip arresting devices for the shaft bottom – 2 sets

### **Double Drum Personnel-riding Winder**

- Double drum hoist conveyance arresting devices for the shaft bottom – 1 set
- Double drum hoist counterweight arresting devices for the shaft bottom – 1 set

All arresting devices must be supplied including all ancillary equipment for use on the Koepe Production winder and Double Drum Personnel-riding winder.

The following items are specifically excluded from this scope and will be supplied by others:

- Conveyances
- Detaching hooks, links and drawbars
- Jack catches
- Civil / structural work pertaining to the arresting devices
- Installation in the headframe and shaft bottom
- Off-loading on site

The Supplier shall be responsible for the design, supply and delivery of the whole works, including such work as may be required, but not specifically described here; and will supply all labour, equipment and consumables to facilitate the works.

In accordance with Newmont's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

Newmont reserve the right to combine this package and or parts of this package with any other project package.

<b>Key Information to be included in the EOI:</b>	<p>Must provide resourcing information specific for the contract package.</p> <p>Must provide details of a Quality Management system and records of previous performance.</p>
<b>Key Milestones:</b>	<p>Tenderers Release Date: 17.07.2020</p> <p>Target Contract Award Date: 23.10.2020</p> <p>Completion: TBA</p>
<b>Expression of Interest:</b>	<p>Contractors are invited to express an interest in this package by registering on the ICN Gateway on line platform. Please ensure your ICN company profile is up to date before registering your expression of interest.</p>
<b>EOI Closing Date:</b>	<p>16.07.2020</p>
<b>Contact:</b>	<p>Industry Capability Network Northern Territory</p> <p><a href="http://www.gateway.icn.org.au">www.gateway.icn.org.au</a>.</p>
<b>Project URL's</b>	<p>For more information about Newmont please refer to the company website <a href="http://www.newmont.com">www.newmont.com</a></p>
<b>Disclaimer:</b>	<p>This package description and target award date is indicative only and subject to change. It is intended to provide only a brief outline of certain works that may be required for the TE2 project and should be read in conjunction with the TE2 project description on ICN Gateway.</p>
