

Forest Wind Traditional Owners Engagement Protocol

Requirements - Project development Phase

Potential suppliers should not approach the Traditional Owners' representative bodies directly to discuss business development for the Forest Wind Project without prior approval from SGRE.

SGRE will facilitate engagement with the Traditional Owners' representative bodies at an appropriate time in the procurement process

If you have any queries regarding Forest Wind's Traditional Owner participation program, please email all relevant details of your enquiry to: eoiforestwind@siemensgamesa.com

Forest Wind and Siemens Gamesa respectfully acknowledge the Butchulla People and Kabi Kabi First Nation People of the land on which Forest Wind is proposed.

Forest Wind's developers wish to pay respect to their Elders - past, present, and emerging - and acknowledge the important role they continue to play within the Wide Bay region
