

Shiploader and Berth Replacement (SABR)

ICN GATEWAY EXPRESSION OF INTEREST (EOI)

Temporary Works Steel Fabrication

<p>ICN hereby invites Expression of Interest from respective trade contractors and suppliers for the Shiploader and Berth Replacement (SABR).</p> <p>All EOI submissions should be made through the ICN Gateway.</p>	
<p>Scope of Works</p>	<p>The goods to be provided and works to be performed generally comprise Temporary Works Steel Supply and Fabrication, and include the following main items:</p> <ul style="list-style-type: none"> • Supply and fabricate Extra Heavy (>150kg/m) Structural Steel temporary works items • Supply and fabricate Heavy (60-150kg/m) Structural Steel temporary works items • Supply and fabricate Medium (25-60kg/m) Structural Steel temporary works items • Supply and fabricate Light (<25kg/m) Structural Steel temporary works items • Produce shop drawings for fabrication items • Provide adhoc deliveries to the Project Site as requested by McConnell Dowell <p>Interested tenderers are invited to submit an expression of interest outlining relevant experience and capability for further consideration and may be invited to submit budget pricing for the package.</p>
<p>Project Description</p>	<p>The Shiploader and Berth Replacement project is a brownfields project located within the lease boundaries of the existing Hay Point Coal Terminal at the port of Hay Point, approximately 38 kilometres south of Mackay, Central Queensland. The project includes the disassembly and replacement of one of the existing Shiploaders and Berths to improve materials handling throughput and provide cyclonic wave immunity to terminal operations.</p> <p>MCCONNELL DOWELL</p> <p>McConnell Dowell has entered into an early contractor services contract with BMA and is expecting to enter into a construction contract for the delivery of the Hay Point Coal Terminal Shiploader 2 and Berth 2 Replacement Project in November 2020. McConnell Dowell as primary contractor is responsible for all of the above listed project scope except the fabrication of the new shiploader (SL2A) to be performed by others.</p>
