Beach Energy – Expression of Interest

Project	Otway Offshore Project Phase 5
Package Title	Supply of Flexible Flowlines
Reference Number	6888

Scope of Work Beach are currently developing the Otway Phase 5 subsea facilities. The selected facilities consist of a flexible flowline system suitable for hydrocarbon operations. This flowline system is complimented with rigid tie-in spools or short flexible jumpers. As part of this development, Beach have identified the need for subsea unbonded flexible pipe, to tie-back these subsea facilities. These may include:

- 10inch Internal Diameter Main Production line 3.9km
- 8inch Internal Diameter Infield Production line 4.0km
- 6inch Internal Diameter Infield Production line 1.4km
- 8inch Internal Diameter Infield Production Line 7.9km [Optional]
- 6inch Jumpers 50-100m (5 off) [Optional]

These flowlines are to be fully qualified, designed, manufactured and delivered in accordance with API 17J "Specification for Unbonded Flexible Pipeline".

The products will need to be delivered complete with Midline connections (as needed), end-fittings, bend stiffeners/limiters and other ancillaries.

The product needs to be designed for water-depths up to 150m and will have operating temperature between approximately -25°C (temporary) and 90°C. In addition, it shall be suitable for a Maximum Operating pressure of up to 22MPag.

Beach is seeking Expressions of Interest for potential bidders to provide the above equipment. The Scope of Work would provisionally include:

1. Project Management
2. Safety Management
3. Quality Assurance and Quality Control
4. Procurement Services
5. Engineering
6. Detailed Design
7. Transport & Logistic services (up to delivery)
8. Fabrication/manufacturing
9. Testing of a/Manufacturing of all Equipment
10. Packing of equipment on Transport & Installation Reels
11. Load-out of equipment, either Incoterms 2020 FOB or FAS

Minimum Scope Requirements	Appropriate Safety & Quality Systems. Fully Pre-qualified products in accordance with API 17J and associated standards Relevant experience in the last five (5) years with similar supply Proven track record with condensed project schedules.								
Expression of Interest Close Date	24 November 2020								
Target Award Date	Early 2021								
Supplier Registration	Beach Energy are committed to providing all Australians full, fair and reasonable opportunities to participate in providing goods and services for the Otway Offshore Project. Please ensure your company is registered with the ICN Gateway by clicking here Suppliers who register for this Expression of Interest will be considered for an Invitation to Tender, if suitably qualified and will be contacted directly by Beach Energy.
