

Narrabri to North Star

Learn more about regional employment and supply opportunities

Trans4M Rail, a joint venture between John Holland and SEE Civil, have been awarded the construction contract for Narrabri North to North Star – Phase 1. The project will bring immediate benefits to regional communities along the alignment, including employment, sourcing of local project materials and other logistics support.

Job seekers and prospective suppliers are invited to attend one of our 'Meet the contractor' information sessions to learn more about how to get involved with the project.

About the information sessions

Job seekers can find out more information about the requirements of being employed on the project and how you can apply for a position.

Prospective subcontractors, suppliers, and equipment providers will receive a high-level overview of work packages, timing of works, contractual requirements and the procurement process.

Job seeker opportunities

The project team is looking to fill a number of local construction, operation, communication and maintenance roles including, but not limited to:

- + Project / Site Engineers
- + OHS Advisors
- + Community Engagement Officers
- + Office Administrators
- + Document Controller
- + Labourers
- + Machine operators
- + Surveyors
- + Concretors
- + Steelfixers
- + Riggers
- + Rail specialists
- + Engineering Administration Officers.

Supply chain opportunities

The project team will be sourcing local plant, equipment, materials and people to support rail works, roadworks, earthworks, bridge and drainage construction. Services required include, but are not limited to:

- + Quarry supplies
- + Water supply
- + Fuel
- + Earthmoving plant
- + Cranes
- + Compaction equipment
- + Water carts
- + Traffic control
- + Landscaping
- + Concreting
- + Steelfixing
