

Package Name	Provision of Platform Supply Vessels for Scarborough Project
Reference Number	4610003365
Package Description	<p>Woodside requires a fleet of offshore marine vessel to support, Production, Enfield Decommissioning and Scarborough vessel demand.</p> <p>Scarborough Project:</p> <p>All Work / Services required to support drilling campaigns for the Scarborough Project are subject to the Scarborough Project achieving a Final Investment Decision (FID).</p> <p>Woodside requires three Platform Supply Vessels (PSV) suitable to support the drilling campaign for the Scarborough Project (anticipated from 2023 for the period of approximately 487 days).</p> <p>The Scope of Work is for the supply and management of vessels and crew.</p> <p>The PSV's may utilise fuels that are safe, reliable, cost-effective and suitable to Woodside operations, including LNG Powered, Diesel, Diesel-Electric, Hybrid-battery, etc. but in any event that comply with International Convention for the Prevention of Pollution from Ships". SCA Environment may also advise any Project specific requirements that form part of Environment Approvals. (see also item 2 "Standards").</p> <p>Specific scope requirements will be communicated to suitable Contractors via an Invitation to Tender.</p>
Specifications and Standards:	<p>Each vessel (PSV) will undergo a technical evaluation by Woodside Marine Assurance, ensuring the critical components of the vessel complies with Woodside and industry standards. Marine assurance activity will include a combination of desktop audits and review of approved physical audits as required to ensure that the fleet is readily available and meets all necessary marine compliances as scheduled and dictated by the Marine assurance schedule.</p> <p>Marine Assurance standards are aligned to industry.</p>
Delivery Place	Port Dampier
Supplier EOI Instructions	<p>Please note, this is an Expression of Interest (EOI) only, the content of this work is subject to change pending project demand and timelines.</p> <p>Suppliers are invited to express interest by registering on ICN Gateway where competency and previous positive experiences for offshore oil and gas projects should be demonstrated for the provision of similar goods and/or services.</p> <p>ICNWA will follow up on full scope registrations by email, once the full scope closing date has passed. The supplier's response to ICNWA's email and their demonstration of capability for the service, will form their Expression of Interest (EOI) for this package.</p> <p>Supplier(s) will only be considered for the upcoming Tender if suitably qualified by the Company's Procurement Entity.</p>
