

WMP-CON-163, Concrete Works Package – Supply, Production and Testing Services

Package Summary

OZ Minerals Musgrave Operations Pty Ltd requires the services of a suitably qualified and resourced contractor / supplier to undertake concrete supply, production and testing works for the West Musgrave Project (WMP). Key areas of scope can be summarised below:

- Site establishment of a Concrete Batch Plant (inc. delivery services for the WMP).
- Supply, onsite installation, commissioning, and operation of equipment (inc. training of staff in operation / maintenance requirements).
- Operation of Concrete Batch plant (inc. supply of personnel, plant / machinery, aggregates, additives, cement chemicals, consumables and production scheduling required for the WMP).
- Supply of all off-site and on-site labour to complete the works (inc. supervision, tools, plant / machinery, site survey, testing, reporting and inspection services for WMP concrete requirements).

Specific Scope of Works

- Concrete Batch Plant:
 - Equipment to meet OZ Minerals determined rates of production (per hour day / month).
 - Provision of delivery trucks and agitators.
 - Provision of ancillary equipment – Compressor, water chiller, water storage, generators and lighting.
- Standard Concrete Supply - List Not Limited (per m3 rate):
 - Cement stabilised sand.
 - Range of MPa GB (15 – 50).
 - Range of MPa GB for grouting (to be determined).
- Service Goods Supply – List Not limited (Consumables per m3 or kg rate):
 - Admixtures incl. silica, poly/steel fibres.

A modern mining company

- GB Cement.
- 10 and 20mm concrete aggregate.
- Concrete and sand.
- Testing and Reporting
 - Provide technical support in the development of specialised concrete mix designs specified within engineering designs
 - Prior to any production of concrete, contractor supplier is to sample and test onsite materials under OZ Minerals and / or Australian Standards. This is for the suitability of concrete supply for future mix designs.
 - On completion of all batched concrete, contractor/ supplier will produce material dockets (concrete type/ strength and quantity) as well as appropriate on-site concrete testing.
- Scheduling of Concrete Supply
 - Collaborate, in conjunction with OZ Minerals and Stakeholders to establish and manage a robust supply forecast, with a minimum of 48 hours' notice anticipated for the confirmation of concrete supply.
 - Plan and coordinate for adequate material stocks and supplies to be retained at Site, considering any adverse weather forecast for the region i.e. rain events that may impact transport routes to WMP).
 -

➤ **Note:** *OZ Minerals free-issued items will be further disclosed in formal tender process.*

Australian Standards, National Construction Code and OZ Minerals Specifications will apply throughout.

The WMP is subject to internal and external approvals. A final investment decision is expected in 2022. The timing, procurement strategy and/or scope of works, may change at the discretion of OZ Minerals.

A modern mining company

On the receipt of EOI from relevant concrete contractor/ suppliers, OZ Minerals will review each EOI and provide feedback where necessary. OZ Minerals will send formal correspondence to notify each successful contractor/ supplier in proceeding with a formal Contract Tender process (RFT).

OZ Minerals will publish RFT documents to successful contractor/ suppliers in early November 2021. This will kick start a four-week (4) RFT process (inc. WMP Site visits – if required. A single contractor/ supplier will then be selected to progress to the execution phase of the project.

Submission of Expression of Interest (EOI)

OZ Minerals invites capable and experienced Contractor/ Suppliers, who align with our '[OZ Way](#)' of working to register their EOI, clearly identifying their capability to be execute the scope herein.

Please express your interest by completing the [West Musgrave Supplier Registration Form](#). EOIs without a completed West Musgrave Supplier Registration Form will not be considered.

OZ Minerals will use the EOIs to improve our understanding of market capability and interest. Suitable Registrants may subsequently be invited to submit a tender for this package.

Please email WMPCommercial@ozminerals.com should you have any questions.
