It is intended to provide only a brief outline of certain works that may be required for the proposed Jimblebar Beneficiation Project and should be read in conjunction with the Jimblebar Beneficiation Project description on ICN Gateway                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

# **INSTRUCTIONS TO SUPPLIERS**

## **1. EOI TERMS AND CONDITIONS**

The Company reserves the right to reject any EOI submission for any or no reason, at its sole discretion.

Nothing in this EOI document may be relied upon as a guarantee by the Company that the tender process alluded to in the EOI document will be undertaken or that any future work or supply will be awarded.

## **2. EVIDENCE OF CAPABILITY**

EOI participants are to include examples of equivalent (or nearest equivalent) of the services the subject of EOI, as well as experience of proposed personnel.

## **3. PREQUALIFICATION PROCESS**

Notwithstanding that an EOI participant may be an existing approved contractor to Company (or in the event that any EOI participant is not an existing Company approved contractor), Company may require such participant to complete additional pre-qualification documentation.

Contractor is to provide phone and e-mail contact details for representative who will be able to respond to any questions Company may have.
