

Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

Project Overview: The Newmont Tanami Operation (NTO) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.

Package Title: **Construction of Underground Boreholes**

Reference: **C4081**

Package Description: The scope of this package covers the following:

- Drilling and casing of the underground boreholes.
- Procurement, transport, warehousing, mobilization and establishment.
- Provision of all temporary facilities and equipment.
- Installation of temporary safety barriers.
- Provision of all equipment and materials for the drilling of the Boreholes and casing of the Boreholes including safety equipment and protective facilities for working around the open portion of the boreholes.
- Survey of the completed works.
- Provision of as-built documentation and digital data; and
- Handover.

The Works shall be sequenced and carried out to permit normal operations of the mine facility to continue.

Contractors are to supply all labour, equipment, and consumables to facilitate the works.

In accordance with Newmont's commitments to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

Newmont reserve the right to combine this package and or parts of this package with any other project package.
