

PROJECT EXPRESSION OF INTEREST	
Project Title.	SecureEnergy – Project EnergyConnect (PEC)
Project Description.	<p>SecureEnergy has partnered with TransGrid (electricity transmission operator in New South Wales (NSW) and ElectraNet (electricity distributor in South Australia (SA) are currently investigating the proposed construction and operation of a new electrical interconnector and network support options between NSW and SA.</p> <p>The interconnector is aimed at reducing the cost of providing secure and reliable electricity transmission between NSW and SA in the near term, while facilitating the longer-term transition of the energy sector across the National Electricity Market (NEM) to low emission energy sources.</p> <p>The current preferred option involves constructing a high voltage electricity interconnector of approximately 900 kilometres between the power grids of SA (starting at Robertstown) and NSW (finishing in Wagga Wagga), known collectively as Project EnergyConnect.</p>
Opportunity Title.	Waste Management for Site Works
Opportunity Description.	<p>SecureEnergy wish to identify suppliers that have the ability and equipment to provide Waste Management Services for Site Works</p> <p>Industrial Waste various types, collection and disposal of waste over all 7 sites along alignment</p> <p>Waste Types includes though not limited too</p> <ul style="list-style-type: none"> • Liquids – specific waste including sludge, oils, coolant, other workshop consumables. • Wood – packaging, pallets • Steel – drum reels, steel offcuts • Hazardous Materials – asbestos potentially, mineral oils, paints • E-Waste, sharps, secure document destruction • Recycle materials where possible <p>Disposal should be to Industry safety standards.</p> <p>Operators should possess all necessary tickets and National Certifications of safe operation.</p>
Supplier Requirements.	SecureEnergy require suppliers that:

	<p>Have a demonstrated track record of providing Waste Management services for a Tier One or Tier Two Contractor or above.</p> <p>Have updated service logs for all plant and equipment.</p> <p>Have the required government or industry certifications, licenses, associations and/or insurances to deliver the opportunity.</p> <p>Have an exemplary safety record and a documented management system for tracking safety performance.</p> <p>Are financially viable and can demonstrate commercial value.</p> <p>Can demonstrate a strong commitment to training and retaining a local workforce.</p> <p>Have an excellent track record in employing and progressing the careers of Indigenous people.</p> <p>Are progressively finding ways to develop the careers of women, veterans and people with disabilities.</p> <p>Treat the environmental they are working in with respect and consideration.</p>
Health and Safety	<p>SecureEnergy encourages suppliers who can provide any evidence of Health and Safety (HSE) statistics and/or Lost Time to Injury (LTI) statistics.</p>
Similar Experience	<p>SecureEnergy encourages suppliers to provide case study examples of projects they have undertaken that are similar to the scope for SecureEnergy on Project EnergyConnect (PEC)</p>
General Information.	<p>SecureEnergy will consider all ICN Registrations where:</p> <p>The business demonstrates through their response a clear capability against the key requirements.</p> <p>The business completes a response to all SecureEnergy questions and/or SecureEnergy documentation.</p> <p>The businesses ICN profile is up to date and complete.</p> <p>The registration is complete prior to any closing date.</p> <p>The business operates in Australia and is a registered Australian business.</p> <p>The Business has an Indigenous staffing component in line with Federal Indigenous Procurement Policy and/or NSW State Aboriginal Procurement in Construction.</p>
Local Content	<p>SecureEnergy strongly encourages businesses who have head offices and/or dedicated premises with the appropriate Local Government approvals from the following regions:</p> <ul style="list-style-type: none"> Balranald Shire Council

	<ul style="list-style-type: none"> • Edward River Council • Federation Council • Hay Shire Council • Lockhart Shire Council • Murray River Council • Murrumbidgee Council • Wagga Wagga City Council • Wentworth Shire Council <p>Furthermore, SecureEnergy strongly encourages Aboriginal and Torres Strait Islander businesses to submit applications.</p>
<p>Notes</p>	<p>SecureEnergy will obtain ongoing reporting from ICN on a regular basis.</p> <p>SecureEnergy will review all registrations, noting that any incomplete registration will be excluded from consideration.</p> <p>SecureEnergy highly values businesses that can demonstrate performance in line with the Indigenous Participation Plan of 2.5% indigenous employment.</p> <p>Further involvement may range from a request for a follow up meeting; request to prequalify, through to request for tender.</p> <p>Submitting a registration of interest does not guarantee that the supplier will be selected for prequalification or tender opportunities.</p>
