Early October 2022

Registration Information

Saunders International is committed to ensuring Australian Industry the opportunity to participate in US Bulk Fuel Storage Facility.

You are invited to submit an Expression of Interest if you have the relevant capability and capacity to undertake the scope of work. Suppliers and contractors will only be considered for pre-qualification and tender lists if suitably qualified.

Note: An important part of the project registration process is submitting your EOI at the correct Tier level:

Full Scope (Tier 1): Able to produce/supply *all of the package*.

Partial Scope (Tier 2): Able to produce/supply *some of the package*.

All Expressions of Interest (EOIs) are to be completed via ICN Gateway USBulkFuelStorage.icn.org.au.

Please contact ICNNT if EOI assistance is required. Contact details: (08) 8922 9422 or resources@icnnt.org.au
