

A modern mining company

WMP-CON-269 Design, Supply, Install Microwave Communications Network

Please note that any EOI submissions, that do not have a fully completed West Musgrave Supplier Registration Form, will not be considered. WMP PACKAGE NUMBER WMP-CON-269

Procurement Route

OZ Minerals Musgrave Operations Pty Ltd requires the services of a suitably qualified and resourced company to undertake the engineering design, build, supply, and installation of a Point to Point Microwave network services which will be integrated for operation at the mine site to support carrier grade communications across the tenement and infrastructure.

Requirement / Scope of Works

The scope of work includes:

- Fully meshed microwave network that will be integrated into the wider West Musgrave site communications network
- Design for a scalable point to multi-point (PTMP) subscriber microwave network accommodating the camp site buildings, and other infrastructure as the demand & service profile evolves
- Monitoring and alarming capabilities
- Respondents must be a registered Cambium Networks Connected Partner with the ability to install and support supplied infrastructure at a regional Western Australia mine site

Further Technical Information (if applicable)

Forward looking

On the receipt of EOIs, OZ Minerals will review and on short-listing, formally advise each successful contractor/supplier that they will be invited to participate in a formal Contract Tender process (RFT).

OZ Minerals will publish Request for Tender (RFT) documents to successful contractor/ suppliers in August 2022.

The West Musgrave Project is subject to internal OZ Minerals and external approvals. A final investment decision is expected in 2022. Consequently, timing, procurement strategy and/or scope of works, may change at the discretion of OZ Minerals.

Submission of Expression of Interest (EOI)

OZ Minerals invites capable and experienced Contractor/Suppliers, who align with our 'OZ Way' of working to register their EOI, clearly identifying their capability to execute the scope herein. OZ Minerals will use the EOIs to improve our understanding of market capability and interest.

Suitable Registrants may subsequently be invited to submit a tender for this package. Please express your interest by completing the [West Musgrave Supplier Registration Form](#).

EOIs without a completed West Musgrave Supplier Registration will not be considered.

Please email WMPCommercial@ozminerals.com should you have any questions.
