

A modern mining company

WMP-CON-190, Living Hub

Package Summary

OZ Minerals Musgrave Operations Pty Ltd (OZ Minerals) believes technology solutions enable a proactive response to the accelerated focus on ESG and are recognised as a critical enabler to accelerate our Strategic Aspirations of being a data driven, Modern Mining Company that ethically and responsibly explores and mines minerals to contribute to a low carbon future. Our technology focus and innovative approach include health and safety, decarbonisation and electrification, process and decision intelligence, automation, and low-impact operating ways of working.

OZ Minerals is seeking to engage the services of experienced and suitably qualified organisations to construct, own and transfer the West Musgrave 'Living Hub' accommodation package.

The Living Hub Master Plan will create a diverse suite of spaces and activities that

- supports the mental health and physical well-being of residents
- encourages a culture of collaboration and interaction that respects the diversity of village users and stakeholders
- fosters a cooperative and inclusive relationship with adjacent communities and cultural groups.

The Living Hub scope includes the design, supply, construction, installation and commissioning of:

- accommodation buildings
- administration buildings
- recreational facilities
- laundry and maintenance buildings
- Kitchen / diner
- Emergency response building
- Other shared areas

All infrastructure including bulk and detailed civil, electrical and plumbing necessary to achieve the requirements.

Australian Standards, National Construction Code and OZ Minerals Specifications will apply.
