

Tanami Expansion 2 (TE 2) Project - EXPRESSION OF INTEREST (EOI)

Project Overview: The Newmont Tanami Operation (NTO) is located in the Tanami Desert of the Northern Territory approximately 530 km north west of Alice Springs. The Brownfields mining operations are located at the Dead Bullock Soak (DBS) area approximately 42 km to the west of the Granites. The nearest settlement is Yuendumu some 250 km southeast of The Granites. The Tanami Expansion 2 (TE 2) Project consists of expanding the mining infrastructure at Newmont Goldcorp Tanami Operations and potential increase of current ore production rate from its current nominal 2.6 Mtpa.

Package Title: **Surface Infrastructure and Headframe Construction**

Reference: **C4094**

Package Description: The scope of this package covers temporary works design, shop detailing, fabrication, supply, delivery, installation and pre-commissioning of Surface Infrastructure and headframe fitout works. The scope includes structural, mechanical, piping, electrical and instrumentation/communication disciplines.

Work areas are broken down as follows:

- Contractor temporary facilities;
- Headframe, Brace and sub-brace;
- Permanent Winder House;
- Koepe Winder Installation including pre-commissioning;
- Double Drum Winder Installation including pre-commissioning;
- Koepe and Double Drum Winder rope up support;
- Surface material handling system;
- Surface Compressor including Building; and
- Surface diesel batching system.

Contractors are to supply all labour, supervision, plant, services, equipment, and materials, procurement, fabrication and manufacture of components, corrosion protection, testing, delivery, commissioning, on Site setting out, auditing and inspection and training.

Contractors are to install new Principal's supplied equipment and materials in some instances and are required to provide training for operators and any other things necessary for the proper and timely completion of the work under the Contract.

A layout and elevations will be provided with the tender showing the facilities.

In accordance with Newmont's commitment to building local and Indigenous capacity in the region, the tender evaluation will include a weighting for utilising local regional businesses in the Northern Territory.

Newmont reserve the right to combine this package and or parts of this package with any other project package.

Key Information to be included in the EOI:	<p>Must provide a draft Indigenous Relations Management Plan.</p> <p>Must provide resourcing information specific for the contract package.</p> <p>Must be able to demonstrate how to meet construction environmental commitments and provide evidence from other projects. Evidence to be supported with key past client reference people and their contact details</p> <p>Must provide details of a Safety Management system and records of previous safety performance such as LTIFR and RIFR.</p> <p>Must provide details of a Quality Management system and records of previous performance.</p>
Key Milestones:	<p>Tenderers Release Date: 25 Nov 2022</p> <p>Target Contract Award Date: Mar 2023</p> <p>Completion: TBA</p>
Expression of Interest:	<p>Contractors are invited to express an interest in this package by registering on the ICN Gateway online platform. Please ensure your ICN company profile is up to date before registering your expression of interest.</p>
