

Darwin International Airport – Air Transport Apron Expansion

Package Number

ADG-016

Package Name

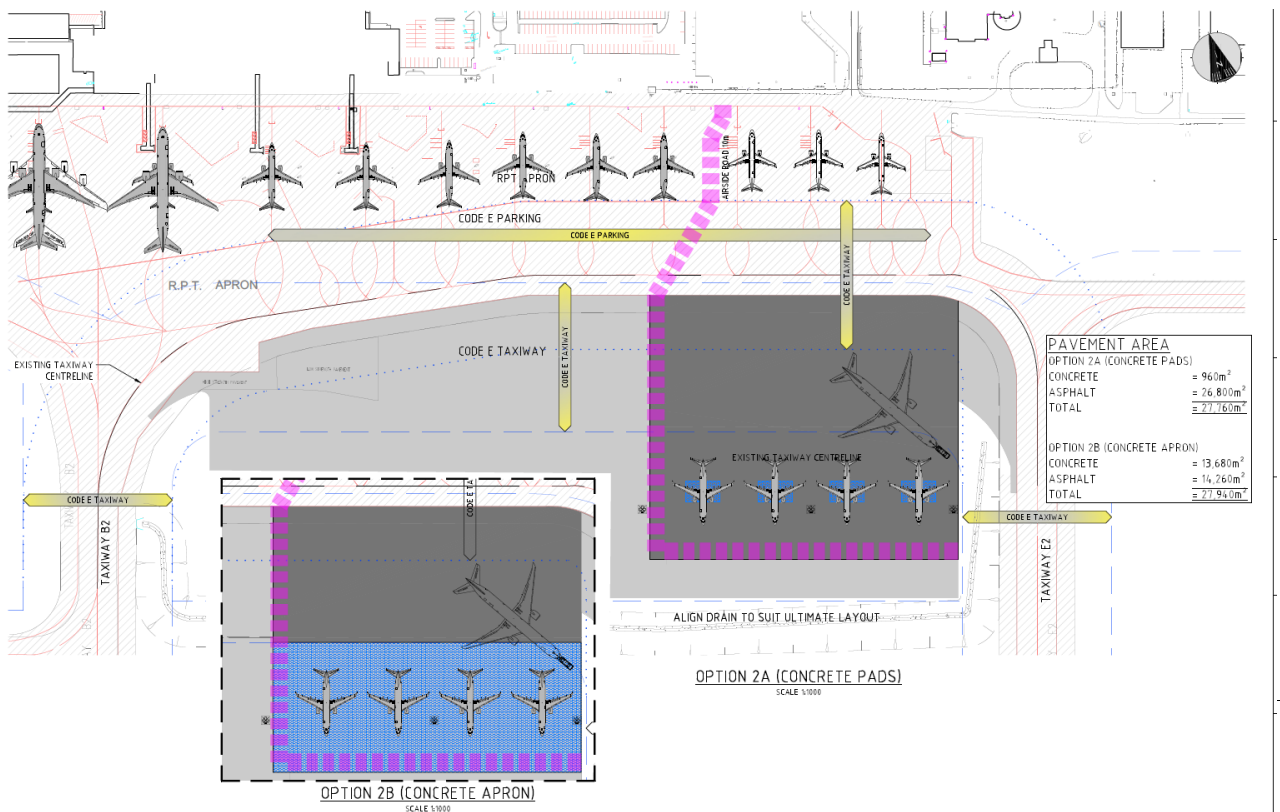

Darwin International Airport – Air Transport Apron Expansion Project

ADG is seeking expressions of interest from Head Contractor/s that have the necessary skills and capacity to assist with a potential requirement to:

- Construct an apron extension to the existing RPT apron & a parking apron that meets the design specifications/requirements.
- Buildable in multiple stages, as is required based on the final design of the apron expansion.
- Estimated delivery schedule for construction.
- Manage various building scopes including (but not limited to):
 - Earthworks,
 - Pavement Construction,
 - Power & Hydraulics reticulation,
 - Drainage,
 - Apron Flood Lighting,
 - Line marking,
 - Aircraft ground guidance lighting
 - Any other applicable construction drawing and plans
- Provide quote and proposal for construction including milestone schedule.

Refer Fig. 1 for the proposed location for Air Transport Apron expansion.

Figure 1: Proposed Location for Air Transport Apron expansion

Suitably qualified and experienced licenced building contractors and specialist civil contractors

ASIC registered company

Delivery / Supply Schedule

June 2023 to December 2023

Project Registration Information

Airport Development Group is committed to ensuring the Australian Industry to provide the opportunity to participate in the Air Transport Apron Expansion Project at Darwin International Airport

You are invited to submit an expression of interest if you have the relevant capability and capacity to undertake the scope of work. Suppliers and contractors will only be considered for prequalification and tender lists if suitably qualified.

All expressions of interest (EOIs) are to be completed via ICN Gateway www.adg.icn.org.au.

Please contact ICNNT if EOI assistance is required. Contact details: (08) 8922 9422 or resources@icnnt.org.au.

Note that an important part of the project registration process is submitting your EOI at the correct Tier level.

Tier level definition:

Full Scope (Tier 1): Able to produce / supply all of the package.

More information about Airport Development Group can be found on the Airport Development Group website, www.adgnt.com.au
