

# Amrun project

## Expression of interest

## General Construction Services

Package Number: 25977-000-HC3-UB00-00022

Package Title: General Construction Services

### General Description

Rio Tinto's Amrun Project is located approximately 40 km south-west of Weipa in far North Queensland, Australia. The Amrun Project site will require the services of a Contractor for General Construction.

### Specific Scope Requirements

The Contractor shall be responsible for the following:

- Test & tag of Project supplied equipment and facilities.
- Support fuel, potable water distribution requirements around the site (includes monitoring usage)
- Providing suitably qualified personnel for warehousing inventory duties
- Providing suitably qualified personnel for maintaining Project supplied offices and buildings (includes pump out of septic tanks)
- Installation, operation and maintenance of Project supplied Generator sets & lighting plant
- Operation and maintenance of weed and seed wash facilities
- Providing servicing and maintenance of Project light vehicles as required.
- Providing suitably qualified personnel for maintaining & monitoring sewage and water treatment facilities
- Maintenance and operation of cooling water tower
- Maintenance and operation of artesian bore (as required)
- Maintenance of fire extinguishers at Project supplied facilities
- EPCM Office cleaning services
- Chipping of timber waste
- Stockpiling of selected waste material
- Supply of equipment as required (eg. 20t Franna, Excavator/s, Forklift)

**Forecast Award Date: 3Q, 2016**

The primary Contractor may utilise the ICN Gateway to procure subcontractors for partial scopes of work. Expressions of interest for works associated with this scope are therefore encouraged to be submitted to ICN.

### **Instructions to Tenderers**

If your business possesses the capability and capacity to perform the stated scope of work, please submit a registration of interest via the ICN Gateway at [www.amrun.icn.org.au](http://www.amrun.icn.org.au).

Please ensure that:

- Your company profile on ICN Gateway is complete, up-to-date and accurate
- You register your interest as a Full Scope or Partial Scope supplier (where applicable), and
- You respond to all project-specific questions via the ICN Gateway.

### **More Information**

Please contact the Industry Capability Network Queensland on +61 (7) 3364 0676 should you have any enquiries regarding this scope of work.

More information about the Amrun Project can be found on the Rio Tinto website [www.riotinto.com](http://www.riotinto.com).

### **Disclaimer**

Scope of Work is indicative only and is intended to be used as a summary description of work which may be required by Rio Tinto and may be subject to change. Full scopes of work will be made available to parties that are invited to tender. There is no undertaking to contract or proceed to a competitive process implied by this form. Further contact with interested suppliers will be at Rio Tinto's discretion.
