Expression of interest

Conveyor Belting

Package Number: 25977-000-MRA-MHCX-00001

Package Title: Conveyor Belting

General Description

Rio Tinto's Amrun project is located approximately 40 km south-west of Weipa in far North Queensland, Australia. The Project site will require conveyor belting. The scope includes design, manufacture, factory acceptance testing and supply of conveyor belting.

Specific Scope Requirements

Approximate quantities of conveyor belting are as follows:

- Steel cord belt – 9 km
- Fabric belt – 1.5 km

The technical requirements for the belting are as follows:

1. Steel cord belt
 - Belt width: 1500/2400mm
 - Belt specification: ST 1000
2. Fabric belt:
 - Belt width: 1200/1800/2200mm
 - Belting specification: PN 630/4 To 1250/5

All belting of fabric and steel cord carcass construction shall be in accordance with AS 1332 and AS 1333 respectively.

Splice kits shall be included and contain all materials necessary to make the splice.

Forecast Award Date: 3Q, 2016

Instructions to Tenderers

If your business possesses the capability and capacity to perform the stated scope of work, please submit a registration of interest via the ICN Gateway at www.amrun.icn.org.au.

Please ensure that:

- Your company profile on ICN Gateway is complete, up-to-date and accurate
- You register your interest as a Full Scope or Partial Scope supplier (where applicable), and
- You respond to all project-specific questions via the ICN Gateway.

More Information

Please contact the Industry Capability Network Queensland on +61 (7) 3364 0676 should you have any enquiries regarding this scope of work.

More information about the Amrun Project can be found on the Rio Tinto website www.riotinto.com.

Disclaimer

Scope of Work is indicative only and is intended to be used as a summary description of work which may be required by Rio Tinto and may be subject to change. Full scopes of work will be made available to parties that are invited to tender. There is no undertaking to contract or proceed to a competitive process implied by this form. Further contact with interested suppliers will be at Rio Tinto's discretion.
