General Information

Watpac and Industry Capability Network (ICN) invite registration of interest in this package provided that the contractors and suppliers meet the pre-requisite of selection criteria to accommodate the technical and commercial capability to undertake the scope of work in order to be considered for prequalification.

The Code for the Tendering and Performance of Building Work 2016 applies to the building work associated with this project. By submitting an expression of interest in, or tender for, this project, you will become subject to the Code for the Tendering and Performance of Building Work 2016.
