ICN hereby invites Expression of Interest from respective trade contractors and suppliers for the North Queensland Stadium project for the TENSILE ROOF AND WALL FABRIC ENGINEERING trade package. All EOI submissions should be made through the ICN Gateway.

Scope of Works	Tensile fabric engineering with complex structure / long span cantilever stadium experience for roof and wall elements.
Watpac Reference	2551
Project Description	The design and construction of a 25,000 capacity, best practice, purpose-built, regional stadium that can expand to 30,000 capacity in the future and adjacent infrastructure works including community plazas, landscaped areas, car parking and event transport facilities.
Location of Works	17-49 Saunders Street, Townsville QLD 4810
Delivery Schedule	It is anticipated that these works will commence August - September 2017
ICN Gateway URL	www.northqueenslandstadium.icn.org.au

General Information

Watpac and Industry Capability Network (ICN) invite registration of interest in this package provided that the contractors and suppliers meet the pre-requisite of selection criteria to accommodate the technical and commercial capability to undertake the scope of work in order to be considered for prequalification.

The Code for the Tendering and Performance of Building Work 2016 applies to the building work associated with this project. By submitting an expression of interest in, or tender for, this project, you will become subject to the Code for the Tendering and Performance of Building Work 2016.
